## **March**

### ***3/5 Jumps and Jump Courses/Walking Lines***

- Learn the ins and outs of different types/styles of jumps, how to set them up, how to properly walk/measure lines and creating courses. We will be designing the 2008 Jump Field in this class. This class is open to Level 2 and above riders. Adult jumping riders are welcome to join this class. Class time: 4:00-5:30pm. Class fee \$5.

### ***3/6 Setting Jump Courses***

- Learn how course designers set their courses. We will be setting up the 2008 Jump Field during this class. This class will be weather permitting. This class is open to Level 2 and above riders. Dress for the weather and be prepared to get dirty. There will be lifting of jump poles and standards involved in this class. Adults are welcome to come join in the set up of the Jump Field. Students are encouraged to bring extra tape measures from home. Class Time: 4:00-6:00pm. Class fee: \$5.

### ***3/17 Spring Apprentice Day #1***

- Apprentices may join Greenacres staff in reopening the stable for the Spring Session. We will be doing the spring update for all the horses in the Equine Records Book. Learn to de-worm horses, check and record vital signs, weigh horses, size for a blanket, fit saddles/bridles/girths, cut manes and tails, and clip horses. Each participant will be assigned a horse/stall to bring back up to par for Spring. This class will be weather permitting. Class time: 3:30-6:30pm. Class fee \$5.

### ***3/19 Jump Painting***

- Join the Greenacres staff for a down and dirty day of painting in the new 2008 Jump Field and the arena. Bring the creative side of your brain and a love for bright colors! Don't forget to wear painting clothes! This class will be weather permitting. Feel free to "donate" any WILD colors of paint you have laying around in your basement (neons, bright reds, yellows, greens, black, orange, etc.) Free.

### ***3/24 Spring Apprentice Day #2***

- Apprentices may join Greenacres staff in reopening the stable for the Spring Session. We will be doing the spring update for all the horses in the Equine Records Book. Learn to de-worm horses, check and record vital signs, weigh horses, size for a blanket, fit saddles/bridles/girths, cut manes and tails, and clip horses. Each participant will be assigned a horse to bring back up to par for Spring. This class will be weather permitting. Class time: 3:30-6:30pm. Class fee \$5.
