Let's Horse Around Under a Harvest Moon!

Dear Friends of Greenacres Equine Center,

You are invited to become a sponsor of Greenacres Equine Center, a non-profit program serving the needs of disenfranchised horse-loving youth. Our 2nd annual "Horsing Around at Greenacres...Under a Harvest Moon" takes place Saturday, November 6, at Greenacres Art Center. Your sponsorship will allow our equine program to expand and impact a greater number of children's lives from programs such as **Boys Hope Girls Hope, Big Brothers Big Sisters, St. Joe's Orphanage, and Individualized Education Program students** from Catholic inner-city schools.

The riding scholarships created through the 2009 "Horsing Around" fundraiser provided a unique opportunity for groups of inner-city students to experience the power of horses and the pastoral environment of Greenacres Equine Center. Among the results of last year's generous donations, four weeks of "horsy" fun transformed a group of disengaged, earphone-laden teens from the IEP group of Purcell Marian High School into enthusiastic, self-confident youngsters who bubbled over with questions while making lasting friendships! There is no doubt about it; horses change lives in ways that can't be rivaled!

Please consider "Horsing Around" with us by referring to the enclosed donation form and making your check payable to Greenacres Equine Center. We would appreciate receiving all categories of sponsorship donations by September 6, 2010, to ensure your acknowledgement in the program. Watch for ticket information and mark November 6 on your calendar to join us in "Horsing Around at Greenacres." On behalf of the children, we can't thank you enough!

With Sincere Thanks,
The "Horsing Around at Greenacres" Committee
Marlin Ach & Kathy LeFevre, Co-Chairs
771-5742 or 561-9208

"Creating smiles that last a lifetime."
