**The Greenacres Foundation** invites you to join us for a special open house featuring the Greenacres Equine Center. Jessy Wojtkiewicz, Equine Center Director, will present an informative overview of the many programs available to both youth and adult equestrians.

From our Mounted and Unmounted classes to our Stable Mates program, guests will discover an array of activities designed to appeal to all levels of riders. If you like to look at horses rather than climb on their backs, find out about the Equine Center's charitable programming, as well as, the events and fundraisers that make our outreach possible.

At the Greenacres Equine Center our goal is to provide our students with a safe and enjoyable learning experience that will nurture the joy of riding.

### Certification

The Greenacres Equine Center's programs are run in conjunction with the Certified Horsemanship Association (click link for site) and the United States Pony Club rules, regulations and testing. Certificates and patches for the CHA and Pony Club Levels are internationally recognized by other riding academies and camps participating in the CHA and Pony Club programs.

### About Jessy

Jessy has been with Greenacres since 2001. She is a Certified Horsemanship Academy (CHA) Level 4 (Master) English Instructor and CHA Level 3 Western Instructor. She has been in the horse industry for over 23 years, teaching and riding in many different disciplines. Her most prominent riding background is in Dressage and Eventing.
