

Project Learning Tree PreK-8 Educator Workshop

July 14, 2011
Greenacres Education Building

Engage in this hands-on workshop and become a Project Learning Tree certified educator! Learn how to integrate environmental education, while also focusing on reading, technology, math, and language arts. Investigate local and global environmental topics with indoor and outdoor activities. PLT is correlated to national and Ohio academic standards. Go to www.plt.org and click on "Curriculum" for more information. Receive resources to help you take your students outdoors (www.learnoutside.org). You can also become eligible (all PLT educators are eligible) to apply for a GreenWorks! environmental, service-learning grant (www.plt.org, click on GreenWorks!).
