THE PLACE TO BE

Discovery awaits at Greenacres this summer! New camps and old favorites return giving your campers a chance to explore all that Greenacres has to offer. Get creative outdoors with Wild Arts, learn the basics of English riding at Greenies Equine Camp, or experience the farm after dark at Night Camp. Greenacres will fill your child's summer with unforgettable experiences. Our camps are tailored to be age appropriate and led by our full-time professional staff.

LEADERS IN TRAINING

Did your child age out of camp and is looking for an amazing summer opportunity? Our Leader-In-Training (LIT) program offers a unique opportunity for 14-17 year olds to develop their leadership skills while sharing their experience and enthusiasm with the next generation of campers. Those accepted into the program will have the opportunity to interact with children, lead activities, pursue their passions, and enjoy time at Greenacres. LITs are asked to volunteer two weeks of their time. To apply, sign-up online at www.green-acres.org/camps/ by April 30, 2020.

Is your teen looking for more nature opportunities during the school year? Greenacres offers a free program for teens to learn about nature and build community among other teen nature enthusiasts. Contact Mary Gordon at mgordon@green-acres.org to join our Green Teens.

GREENIES EQUINE CAMP

Greenacres Equine Center's Greenies Camp is an introduction to the Art of Horsemanship. We are dedicated to safety and strive for quality in everything we do. This camp is an introductory level camp for riders who have had little or no English riding instruction. Riders participating in this camp range from those who have never ridden to those who have ridden on trail rides and at friends' homes but are limited in their technical knowledge. Campers will learn basic horsemanship through mounted and unmounted lessons. This includes, but is not limited to: riding, leading, grooming, tacking, and general horse care. This camp is designed to prepare riders to join Spring/Fall Sessions of lessons at Greenacres Equine Center.

About Greenacres Foundation

A PIECE OF CINCINNATI'S HISTORY

Louis and Louise Nippert purchased the land known as Greenacres Farm in 1949 and operated it as a gentleman's farm for many years. In 1988, wanting to give back to the community, they founded Greenacres Foundation with the intent to preserve the land for the education and enjoyment of future generations. With its 600 pristine acres in Indian Hill, Greenacres truly offers something for everyone. From exploring preserved forests and creeks, capturing beauty in music and artwork to discovering secrets of farming and gardening.
