THE PLACE TO BE

Discovery awaits at Greenacres this summer! New camps and old favorites return giving your campers a chance to explore all that Greenacres has to offer. Get creative with Arts in the Natural World, learn the basics of English riding at Greenies Equine Camp, or experience the outdoors after dark at Night Camp. Greenacres will fill your child's summer with unforgettable experiences. Our camps are tailored to be age appropriate and led by our full-time professional staff.

LEADERS IN TRAINING

Did your child age out of camp and is looking for an amazing summer opportunity? Our Leader-In-Training (LIT) program offers a unique opportunity for 14-17 year olds to develop their leadership skills while sharing their experience and enthusiasm with the next generation of campers. Those accepted into the program will have the opportunity to interact with children, lead activities, pursue their passions, and enjoy time at Greenacres. LITs are asked to volunteer two weeks of their time. To apply, sign-up online at www.green-acres.org/camps by May 10, 2021.

About Greenacres Foundation

A PIECE OF CINCINNATI'S HISTORY

Louis and Louise Nippert purchased the land known as Greenacres Farm in 1949 and operated it as a gentleman's farm for many years. In 1988, wanting to give back to the community, they founded Greenacres Foundation with the intent to preserve the land for the education and enjoyment of future generations. Today, thousands of visitors sing, harvest and hike on the pristine acreage located in Indian Hill, Milford and Lewis Township. From exploring preserved forests and creeks, capturing beauty in music and artwork to discovering secrets of farming and gardening, Greenacres truly offers something for everyone*
