
Greenacres Pony Club Riding Center

- In April of 2009, Greenacres Equine Center was established as a US Pony Club Riding Center.
- Pony Club's Mission:
"The United States Pony Clubs, Inc., develops character, leadership, confidence and a sense of community in youth through a program that teaches the care of horses and ponies, riding and mounted sports."
- Through the USPC Riding Center program, students are able to learn, compete, and participate in all Pony Club Activities without owning their own mount.
